

## Shelf Scorecard Solution

“Perfect Store” retailer execution and related sales growth can be hampered by non-standard, inaccurate and dated shelf KPI scorecards and manual behind the scenes analysis.

### Improved In-store efficiency and standardized benchmarking

Pensa’s patented computer vision and AI platform fully automates analysis and scorecarding of retailer shelf execution.

Pensa’s Syndicated Scorecard

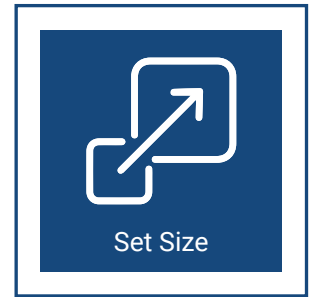

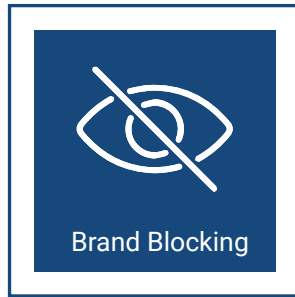

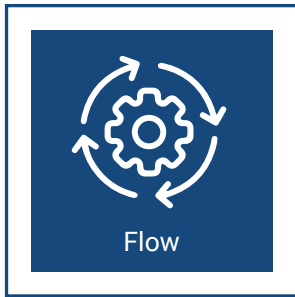

### The Pensa Advantage

- ✓ 30% MORE ACCURATE
- ✓ FULLY AUTOMATED
- ✓ STANDARDIZED BENCHMARKS
